

CURRICULUM VITAE

DELCROIX Stéphane

Doctor of Medicine, Surgery and Childbirth

Member: Belgian Orthopaedic Society since 1985

Board of Directors of VZW BZIO

Chairman of VZW HYDRO

Board of Directors of ANBCT

Jury for the Edouard DELCROIX Award

SORBCOT Hip Group since 03.04.09

Address: 117 Box 65, Avenue des Nerviens, 1040 Brussels

Telephone: 0032.2.732.61.62 (fax: 0032.2.645.26.00).

Cell phone: 0032 497470383

Nationality: Belgian

Marital status: Single

Languages: French, English, Dutch, Italian

STUDIES

Primary school: - Collège Saint-Michel, Brussels, Belgium.

Secondary school: - Humanities, Latin-sciences, Athénée royal,
Waterloo, Belgium

University: - Candidature* in medicine: Passed with satisfaction
Facultés Universitaires Notre Dame de la Paix,
Namur, Belgium. June 1979.

- Doctorate in Medicine, Surgery and Childbirth:
Honours, Université Libre de Bruxelles, Belgium.
June 1983.

- University certificate in Sports Traumatology,
Strasbourg, France. June 1988.

- Microsurgery course, Strasbourg, France.

- University degree in Arthroscopy, Nancy, France
June 1988.

- Sports Surgery Course. La Salpêtrière. Paris.
Academic year 1988-89.

- Interuniversity certificate in Medical Management (CIMM) academic year 2001-2002.
- Interuniversity certificate in information processing in hospitals (CITIH) Session 2003.
- Management for hospital doctors 2005
- Complementary CIMM 2008 (auditing)

** Translator's note: degree awarded after successful completion of a full-time, three year, university course in medicine.*

- Current activities:**
- Resident orthopaedist at the Parc Léopold Clinic since October 1989.
 - Organizer of consultations for occupational accidents from 1999 to 2003

ON-THE-JOB TRAINING FOR ORTHOPAEDIC SURGERY

- 1983-84: Civil Hospital, Charleroi, Belgium.
General and abdominal surgery.
Medical officer for the training: Dr. C. Chastel.
- 1984-85-86: Medical-Surgical Institute of Ixelles, Belgium.
Orthopaedics – traumatology.
Medical officer for the training: Prof. Pol Blaimont.
- 1986-87: Louis Caty Clinic, Baudour, Belgium
Bone and Traumatology surgery.
Medical officer for the training: Dr. A. Mondo.
- 1987-88: Traumatology Centre, Strasbourg, France.
Bone and Traumatology surgery.
Medical officer for the training: Prof. I. Kempf.
- 1988-89: Louis Caty Clinic, Baudour, Belgium
Bone and Traumatology surgery.
Medical officer for the training: Dr. A. Mondo.

ACADEMIC ACTIVITY

- Prosector for Anatomy-dissection, University of Mons, Belgium.
Supervisor: Prof. Duchesne, academic years 1986-87-88-89.
Assistant for academic year 89-90.

- Prosector for Anatomy-dissection, University of Mons, Belgium.
Supervisor: Prof. S. Saussez , academic years 2003-2004.

- Seminar presentations:

- January 1984: Etiology of colonic metastases.
- March 1985: Treatments for tibial fractures by centro-medullary nailing.
- November 1985: Surgical treatment of congenital luxation of the hip.
- March 1986: Spastic knee problems.
- April 1986: Hemihypertrophia and congenital luxation of the hip.
- May 1986: Etiologies of osteoarthritis of the hip.
- May 1986: Family case of preauricular fistula.
- October 1986: Exposé on the Ilizarov method and a case in the department.
- September 2001: false leg-length discrepancy.
- March 2003: Oxinium and knee prostheses.
- 21.01.05: Presentation on an osteochondral graft of the external tibial plateau at a meeting of the knee committee of the Belgian Orthopaedic Society. Château de Limelette.
- 17.01.07: Informational meeting for physical therapists on functional rehabilitation after total hip or knee replacement.
- 08-12-07: informal informational day in Ixelles on osteoarthritis of the hip, biomechanical – osteotomy – prostheses: Mini-invasive anterolateral approach in hip replacements, experience of the department.
- 15.09.08: *Multidisciplinary prospective and comparative analysis of the gait after the mini-invasive anterolateral approach and the posterolateral approach using comparable, reproducible measurements.*

ATTENDANCE AT VARIOUS CONGRESSES

- Annual congress at the Belgian Orthopaedic and Traumatology Society Congress (S.O.R.B.C.O.T. – B. V.O.T.) since May 1985.
- Informal informational days in Ixelles (organizing member).
 - 1985: Lombar pain
 - 1986: Osteosynthesis of lower limbs.
 - 2001: Athletes' shoulder.
- Symposium and practical course on the Ilizarov Method. October 1985. Strasbourg. France.
- Rheumatology. February 1986. Montpellier. France.
- Symposium and practical course on the Ilizarov Method. September 1986. Kurgan. URSS.
- 61st Annual Meeting of the French Orthopaedic and Traumatology Society (S.O.F.C.O.T.). November 1986. Paris. France.
- 2nd Arthroscopy Congress in Esneux. April 1988. Liege. Belgium.
- 1st European days for Teaching and Practice of Cervical Rachis Surgery September 1988. Strasbourg. France.
- Anticoagulation and total prostheses of hips and knees. Sevilla. Septembre 1989.
- S.O.F.C.O.T. October 1989. Guadelupe.
- Think-tank on surgery for hip prostheses. Zurich 1994. Switzerland
- Advanced Osteosynthesis course (A.O.) Davos. Switzerland. 1996.
- Biomet-tour.1998. USA.
- Hip Surgery Days. Annecy. France. 2000.
- Unicompartmental knee replacement and minimally invasive technique. Bruges. Belgium. May 2000.
- Knee Arthroscopy Day. St. Luc University Clinic. Brussels. Belgium. October 2000.
- S.O.F.C.O.T. Congress, Paris. France. November 2000.
- ACL Master Class. Lokeren. Belgium. January 2001.
- Think-tank about hip prosthesis surgery (ABGII) Montpellier. France. June 2001.

- Knee and sports traumatology days. September 2001. Strasbourg. France.
- Orthopaedic days at Brugmann University Hospital: total knee replacement. March 2002.
- International Hip Meeting. Vienna. Austria. May 2002.
- Corail System in Primary and Revision Surgery. Annecy. France. 22 and 23 May 2003
- Expertalia. Bruges. Belgium. 24 October 2003
- Sofcot 2003. November 2003. Paris. France.
- Holiday Total Knee Course. New-York. USA. December 2003
- Smith & Nephew Current Technologies & futures perspectives in total joint arthroplasty. Cannes, France 29 September – 03 October 2004
- Passport to resurfacing, Ghent, Belgium 16 & 17 September 2004
- La prothèse totale de la hanche. Et après? (What comes after total hip replacement?) Lyon, France December 2004
- Informational days Ixelles – Brussels, Belgium – December 2004
- Knee surgery Course – Dublin, Ireland – September 2005.
- HIP Surgery Congress – Toulouse, France – September 2005.
- Intelligent Hip Surgery Course – Brussels, Belgium. February 2006
- Arthroscopy of Knee – Utrecht, Netherlands – April 2006
- Jury – ISCAM – Brussels – June 2006
- 12th symposium of Orthopaedic Surgery – Mandelieu, France. June 2006
- MIS Total Hip Arthroplasty – Paris, France – July 2006
- AOLF Congress – Montreal, Canada – September 2006
- New trends in total hip arthroplasty – Brussels, Belgium. March 2007
- Knee Surgery Course – Munich, Germany – March 2007
- Expert Meeting Durom Hybrid Hip – Brussels, Belgium. April 2007

- Ethical and economic aspects of treating chronic pain – Brussels, Belgium
– September 2007
- Sports Medecine and knee arthroplasty – Prague. October 2007
- 15th symposium Effort instructional course – Berlin, Germany. October 2007
- Scientific Committee Meeting of the Parc Léopold Clinic – Brussels, Belgium – October 2007
- Informal Information Day in Ixelles: Osteoarthritis in the hip – Brussels, Belgium. December 2007. Speaker.
- Neurosurgery Scientific Meeting – Brussels, Belgium. December 2007
- Bernese Hip Symposium – Berlin, Germany – 03 – 05 April 2008
- HELB – Examining board for the paramedical section jury – podology – June 2008
- Hip Surgery Congress – Toulouse, France – 24, 25 and 26 September 2008
- The Open Treatment of Femoro Acetabular Impingement – Munster, Germany – 27, 28 and 29 November 2008
- Symposia on Complex Primary and Revision THA – Exeter Angleterra – 11 and 12 May 2009
- Chirec seminar: Hip dysplasia in children and adults – Brussels, Belgium – 25 May 2009
- EFORT CONGRESS – Vienna, Austria – 3, 4, 5 and 6 June 2009
- HELB – Examining board for the paramedical section jury – podology – June 2009
- 84th congress SOFCOT – Paris – France – November 2009
- Les pièges à éviter dans le droit hospitalier (Traps to be avoided in hospital law) – Brussels – May 2010
- Stage Bloc Opérateur et sites interventionnels – Paris – France – June 2010
- SMEL scientific congress – Ittre – Belgium – October 2010
- International Sports Medicine and knee arthroplasty – Berlin – Germany – October 2010

- SORBCOT Knee Committee – October 2010
- Current events in health course – Brussels – April 2011
- Knee Meeting – Istanbul – Turkey – September 2011
- HIP Congress – Toulouse – France – September 2011
- Iris Health Advice Course – Paris – France – December 2011

Participation on examining boards (Chairman)

- ISCAM – Chairman for evaluating dissertations – June 2006
- HELB – Chairman for evaluating dissertations, paramedical department, podology section – June 2008
- HELB – Chairman for evaluating dissertations, paramedical department, podology section – June 2009

Publications

- Dissertation for degree in Arthroscopy
" Synoviorthèse et Arthoscopie".
Academic year 1987-88, Faculties A and B of Medicine in Nancy. France.
- Unicompartmental knee replacements.
Review of 59 cases after more than 5 years.
Acta Orthopédica Belgica, Vol 54-3-1988.

On-going work

Anterolateral approach and total hip replacement: podological work and physiological study of muscle potential. Comparative study.

Papers

- * *Les Fractures métaphysaires basses du fémur*, P.Blaimont – S. Delcroix
28 November 1986, 2nd teaching Course SO.R.B.C.O.T.
